Cemetery Committee Minutes

The cemetery committee met on April 12, 2016 at City Hall. Members present were Kay Thurmond, Ruth Ryan, Gail Louis, Tom Byerly, Jason Turner, Lauren Newman and guests Larry McGhee and Sam Clark.

Chairwoman Gail Louis called the meeting to order. Jason discussed activities going on in both cemeteries. Eighteen trees have been planted in Bellevue and four at Hilldale. The work crew has been working on potholes, fallen limbs, and mowing to get ready for Memorial Day. He is also checking on prices for hemlock trees to put around the cremation circle. He also stated the mowing contractors are doing a good job.

Guest Larry McGhee showed the committee a sample plaque for the Rochester Cemetery located on the corner of Walnut and Alta at a cost of $300. The committee approved this request.

Scout Sam Clark presented pictures of the shelters that would fit over the kiosks in both cemeteries. The committee voted on Plan C and agreed to help pay for materials needed for the project. Sam is doing this to earn his Eagle Scout Badge.

Next meeting will be at 4:00 on May 10 instead of 5:00 at City Hall.
