Minutes approved

Maintenance Contract: 1 bid, Eddie Devine, \$48,885; will not include round a bout mowing as the state has not released the responsibility. Motion to accept, second approved

Flowers no report

Tree Committee: Application sent for Tree City. Heritage Tree Alexis will speak to City Commission. Committee will approve language then the Heritage Tree language can be presented to the City Commission

Arbor Day: will remain as a fall event

New Committee Officers: Chair, Margaret Levi; Vice Chair, Faith Atmore; Sec, Sue Ferguson motion to accept, second, motion carried.

The Committee expressed concern about the park renovation. It is the hope of the committee that suggestions made previously by Beautification will be incorporated in the current project. Again, there is concern about the appropriateness of the water wall. The committee hopes for more information and representation on this project.

Concern about the removal of the large evergreen was expressed by _____. It is the hope that somehow the tree can be transplanted to Millinium Park. Price for this process was discussed by Earl Coffey.

No further business

Meeting adjourned 4:52
