APPEAL OF CITATION # P40932

Tobie Brown came to the board to appeal a parking ticket she received in the 2nd St. Lot. She is a new member to Plank and is from Harrodsburg. She said she was coming to a class and seen the sign on the back of the building that said 2nd St. Lot, so she thought it was public parking for those businesses. She said when we received the ticket, she read the sign a little closer where it talked about permit only. She said she is sorry she did not mean to break any rules and now she is parking on the street. Sometimes she must walk a far distance to class, but she is on the street. Anthony Gray said we are just asking for people's compliance to the rules and didn't see any intentional intent to break the rules. He also told her he appreciated her honesty.

Anthony Gray made a motion to dismiss the citation. The motion was seconded by Jack Hendricks and the board unanimously approved.

APPEAL OF CITATION # P41880

Anthony Gray asked Ms. Beale if she has a permit for this lot. She said she does and proceeded to show him a picture of where she puts it on her dash. Bridgette Lester told Ms. Beale the permit is supposed to be hanging. Ms. Beale explained that it doesn't hang well over her mirror. Bridgette suggested that she get a rubber band or a permit holder. She also told her not just one officer writes parking tickets. Any officer can write one and they might not always know her car or her normal parking space.

Anthony Gray made a motion to dismiss the citation. The motion was seconded by Jack Hendricks and the board unanimously approved.

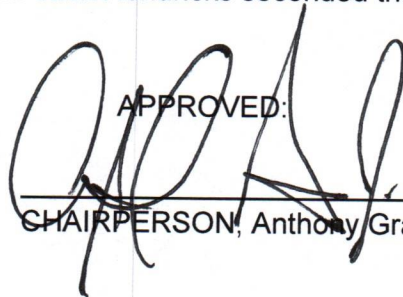

Administrative Review P40988

Tiffany Luttrell advised the board that the tag on this vehicle is not correct. And when the vin was run the vehicle comes back to the Boyle County Sheriff's Office. She asked if they wanted her to send the letter to the Sheriff's Office or does the board want to dismiss the citation. Anthony Gray stated he would contact the Sheriff on this matter. But he would recommend dismissing the citation.

Anthony Gray made a motion to dismiss the citation. The motion was seconded by Jack Hendricks and the board unanimously approved.
