

Boil Water Advisory

This consumer advisory is being issued by:

The City of Danville, KY

August 15, 2019

8:58 AM

What should you do?

Although **NO CONTAMINATION HAS BEEN CONFIRMED** we recommend: Bring all water to a rolling boil, let it boil for three (3) minutes, and let it cool before using, or use bottled water. Boiled or bottled water should be used for drinking, making ice, brushing teeth, washing dishes, and food preparation until further notice. Boiling kills bacteria and other organisms in the water.

What are the areas being affected?

(Insert Areas)

kemper ln from 25-161

goggin ln 480-1975

109 retreat

all of winterhawk, old goggin ln, and all of riverview states

People with severely compromised immune systems, infants, and some elderly may be at increased risk. These people should seek advice from their health care providers about drinking water.
